## Goalkeeper evaluation form

These player rankings are confidential and personal and will only be given to parents and players. The rankings will be confidential between the coaches and individual families and will not be shared with other people. The purpose of these rankings is to inform you of your progress and development as a player compared to other players on the team. No matter where your status falls, we only want to encourage all our players to keep developing. Each coach and trainer can quickly identify skill levels, where with a little extra effort there would be instant improvement. we owe that to our players
